2. Travel Services will complete the Department of State SF-182 training form on your behalf.

4. Travel Services will obtain signature approvals required for the Department of State SF-182 form.
5. While signatures are being obtained, a Procurement Requisition needs to be submitted by the traveler or their administrative support person to have the charge of \$80.00 processed and paid to the Foreign Service Institute (FSI). On the Procurement requisition, provide a note: *see Debbie Warner for HTSOS paperwork to be submitted with payment.*
6. Once payment and signed SF-182 form is sent to FSI, Travel Services will notify travelers that within 3-5 business days, FSI will email their login credentials and instructions for completing HTSOS.
7. Traveler/arranger **must** notify Debbie Warner DLWarner@lbl.gov once FSI has provided login credentials.
8. Traveler **MUST** complete course within 90 days. Failure to complete course will require traveler to register and pay HTSOS tuition fee again.
9. Once traveler has successfully completed HTSOS, please download Course Completion Certificate from the FSI website. Certificate must to be sent to Debbie Warner DLWarner@lbl.gov. Travel Services will provide certificate to U.S. Embassy to complete approval process.

Trips **cannot** be submitted to DOE or the U.S. Embassy (Department of State) for approval until HTSOS is successfully completed and certificate was received at the Embassy. HTSOS certificates are valid for 5 years and may be used for any HTSOS designated country where the traveler will **not** exceed 45 cumulative days in a calendar year.
